PCS 7 Maintenance Training Course
December 3-6, 2019

Trident Automation will be offering *PCS 7 Maintenance* training course December 3 through December 6, 2019.
This 4-day course takes place at our corporate office in Kimberly, WI and is tailored to fit the hardware, software and architecture in place at your plant.

Target Audience:
This course is intended for Plant Maintenance, Engineers, Technicians and Managers that would like the ability to configure and troubleshoot a Siemens PCS 7 system. *Knowledge in computers and automatic controls is required.*

Course Description:
This training course is focused on hardware setup and trouble shooting skills. You will get an opportunity to have hands-on experience with typical hardware present at a PCS7 installation site. The training will walk thru typical setup procedure and refine trouble shooting skills.

Registration:
The fee for this course is $2,550.00 per person. * +
A $100 discount available with the purchase of attendance to Trident's PCS 7 Engineering training course held December 9-12, 2019. Please contact us for more details if interested.
A Purchase Order number, along with full payment, is required to reserve your seat(s).

Cancellation:
If we receive notification of cancellation on <u>or</u> by November 19, 2019, a refund will be issued, except for a $100.00 cancellation fee (per registered person). If notification of cancellation is received on or after November 20, 2019, registrant's company forfeits the registration fee and zero refund is issued.

A minimum of 3 students, with a maximum of 12, is required for the course to take place.
Trident Automation reserves the right to reschedule or cancel the class if the minimum number of students is not met, unless special arrangements are made in advance.
If Trident Automation cancels a course with no reschedule date planned; a full refund will be issued.

Please contact Megan Sjoberg at (920) 759-7477, ext. 155 or at msjoberg@tridentautomation.com with any questions and/or to reserve your seat.

* Customers with a Support Agreement may receive 10% off the cost of training for the duration of their specified agreement.

+ If purchasing the training course via Trident Automation's online store with a credit card, there will be an additional convenience fee added to the cost of the course per person. Please contact Megan Sjoberg at msjoberg@tridentautomation.com for more information on how to purchase via online.
